- Trade Policy
- Skills Development
- Cost-cutting strategies
- Industry statistics
- Industry leadership and development

## MAIN BENEFACTORS:

- Designers
- Builders
- Manufacturers
- Retailers
- Repairs & Maintenance
- Hardware & accessories

## KEY PARTNERS:

THE SOUTH AFRICAN BOATBUILDING INDUSTRY GUIDE 2012

# SABBEX MEMBERS DIRECTORY

# THE SOUTH AFRICAN BOATBUILDERS EXPORT COUNCIL

SABBEX is the export council tasked with promoting our locally manufactured craft abroad and assisting companies to gain access to international markets. To this end SABBEX will be exhibiting with it's members at selected shows in different locations, targeting specific markets around the world.

**SABBEX MEMBERSHIP IS DIVIDED INTO THREE CATEGORIES:**

**FULL MEMBERSHIP**  
for companies directly involved in the manufacture and export of watercrafts.

**AFFILIATED MEMBERSHIP**  
for companies not directly involved in the manufacturing of boats for exports

**EMERGING EXPORTER MEMBERSHIP**  
for newly established companies (less than 2 years) or companies new to exporting (less than 2 years)

*Emerging Exporters have to complete a two year incubation period before applying for Full Membership and SABBEX Accreditation.*

## ACCREDITATION

SABBEX has completed an industry Code of Conduct, which is not only an end-goal in itself, ensuring that minimum standards are adhered to, but has a developmental aspect focus, to assist and encourage firms to be brought on par with international best practice. The Code is not prescriptive but provides a good guide on how companies can improve their performance. Companies are audited against the Code to obtain the accolade of a "SABBEX Accredited" company. The test phase, completed in April 2007, saw the process assessed and implemented at two boatbuilding yards. Subsequently most of the Full Members of SABBEX have applied for and are in the process of becoming SABBEX Accredited. The consumer can feel confident when dealing with a SABBEX accredited firm, as eleven different business aspects are audited in the process. The warranty procedure, the owner's manual, customer service and international specifications are all matters that are taken into account.

It should be noted that the term "accredited", does not imply any guarantee of performance on the part of SABBEX. If a member fails to comply with the minimum standards which SABBEX has established, the council can suspend or terminate the membership, but recourse will have to be in terms of the contract between customer and builder.

For the most updated list of SABBEX Accredited firms, please consult the SABBEX website [www.sabbex.co.za](http://www.sabbex.co.za)

BOATING DYNAMIX

NAME OF COMPANY:	BOATING DYNAMIX
CONTACT PERSON:	Ludolph Toerien
ADDRESS:	19A Benbow Avenue, Epping 1, 7460
TELEPHONE:	+27 21 535 3735
FAX:	+27 86 742 8995
EMAIL:	info@boatingdynamix.co.za
WEBSITE:	www.ballistic.minisite.net

MAIN PRODUCTS:

Manufacturer of Ballistic Ribs range 7.8, 6.5 and 5.5m.

Since its establishment in 1992, Boating Dynamix has earned the reputation of being the “Arsenal of the Police and Maritime Security Service”. Our quality products and high standard of services has enabled us to satisfy customer needs both within and beyond our local borders.

Owner Ludolph Toerien's passion for boating plays an important role in the success of the business and the same knowledge and dedication that saw him earn national colours in inflatable boat-racing, is now a valuable asset to the life and growth of the business. Boating Dynamix is the sole manufacturer of a variety of Ballistic RIB boats for various water conditions. Being an authorised Yamaha dealer allows us to meet the majority of boating-related needs.

CRUISER CATS

NAME OF COMPANY:	CRUISER CATS PTY LTD
CONTACT PERSON:	Clark Boeken
ADDRESS:	14A Marconi Road, Montague Gardens 7441
TELEPHONE:	+27 21 551 0339
FAX:	+27 21 551 2398
EMAIL:	info@cruisercats.com
WEBSITE:	www.cruisercats.com

**MAIN PRODUCTS:**  
Manufacturers of the power catamarans Havana 38 and Tortuga 42, as well as the Sea Sprint 26 centre console sport fisher.

Cruiser Cats manufactures luxury power catamarans for the international as well as the local market. The company was established in 2008 and is based in Cape Town, South Africa with a sales and service team in the USA. The Havana 38 powercat was launched at the Miami Boat Show 2010 and is the only express power catamaran currently on the market. Cruiser Cats also build the Tortuga 42, a more traditional power catamaran, perfect for cruising long distances. These impressive, sleek and stylish designed power cats offer the ultimate in indoor and outdoor living. All our boats are built to the highest standards (CE certification) with top quality finishes throughout, focusing on attention to detail and quality. Equipped with all the features you desire as well as providing comfort and stability, you can experience the tranquility and thrill of life at sea with our cruising catamarans.

WEBSITE:	<a href="http://www.crusoeecraft.com">www.crusoeecraft.com</a>

MAIN PRODUCTS:

18ft Exploration Eco Trimaran & Accessories.

The Crusoe Craft, is an all-African designed and built 18-foot Exploration Eco Trimaran. Inspired by traditional East African outriggers, the Crusoe range occupies a much-ignored niche in small craft sailing worldwide: that of the inshore waterman. Suitable for day trips or long hauls, this durable hybrid electric/low emission four-stroke, folding exploration craft can be totally customised, through a variety of modular configurations, to suit the requirements of most recreational or professional inshore water-users. These include adventure sailors, fishermen, divers, surfers, kiteboarders, photographers, journalists, researchers and more. All three available boat options have been configured to the ultimate trailer load weight, allowing for incredible range for size on both on-road and long-range off-road sojourns. The vessel load capacity of 360 kg comprises a maximum of 19 sealed options and four self-draining stowage areas, some of which are lockable. Accessories include a breathable deck tent, waterproof stretch tent, and photography, fishing, diving and surfing rack solutions.

Manufacturer of soft furnishings for yachts.

Focussed on precision fitting, high quality manufacturing, reliability and dedicated service, Jo Fensham Yacht Upholstery has been Cape Town's leading specialist supplier of soft furnishings for yachts for more than 30 years. The company's reputation for high quality materials and uncompromising workmanship has made them the preferred supplier to established yacht manufacturers including Nebe Boats, Southern Wind Shipyard and Robertson & Caine. "Our work is hallmarked by precision, attention to detail and service excellence," according to managing director Jo Fensham. The company received the SA Boating Award 2006: Industry Award in the category Local Component Manufacturer of the Year. Accolades have also been received from boat owners around the world. With eight highly trained staff, Jo Fensham Yacht Upholstery has the capacity to supply a wide range of soft furnishings for yachts, including mattresses, saloon upholstery and scatter cushions, as well as fitted sheets, duvet covers and pillows.

KNYSNA YACHT COMPANY

NAME OF COMPANY:	KNYSNA YACHT COMPANY (PTY) LTD
CONTACT PERSON:	Kevin Fouché
ADDRESS:	21 Boswerker Street, Knysna Industrial Area, Knysna
TELEPHONE:	+27 44 382 2847
FAX:	+27 44 382 5465
EMAIL:	admin@knysnayachtco.com
WEBSITE:	www.knysnayachtco.com

MAIN PRODUCTS:

KNYSNA440 and KNYSNA480 sailing Catamarans, designed by naval architect Angelo Lavranos.

The Knysna Yacht Company is based in the quaint little village of Knysna, 400 km east of Cape Town. This reputable company was established in 2002 and produces high quality low-volume luxury catamarans. They offer two models: Knysna 440 and Knysna 480. The yachts offer innovative space, headrooms, and superior wood finishes with attention to detail. The Knysna 480 is following in the groundbreaking steps of the popular Knysna 440 and has a balance between volume and performance. The harmony of the soft lines of this yacht and the integrated lines of the hard coachroof reflect simplicity, charm and elegance. Both yachts offer a high “sail-away” specification. The yachts are semi- customised to the specific requirements of their clients. It is a combination of attention to detail, in the design and build of each boat, as well as their after sale service, that really sets the Knysna Yacht Company apart from the others.

MATRIX YACHTS

NAME OF COMPANY:	MATRIX YACHTS (PTY) LTD
CONTACT PERSON:	Peter Wehrley
ADDRESS:	78 Kyalami Drive, Killarney Gardens, 7441, Cape Town
TELEPHONE:	+27 21 556 7179
FAX:	+27 21 556 7157

MAIN PRODUCTS:

World class sail manufacturer.

Quantum South Africa blends the latest technology with the legacy of handmade craftsmanship, backed by rigorous inspection procedures, to ensure that their sails stand the test of time from the moment they are first hoisted. All their craftsmen, from those responsible for designing and manufacturing their award winning sails, to their knowledgeable sales staff are all experienced yachtsmen, for whom sailing is both a science and a passion. With over 70 employees countrywide they are proud to be able to service all our client's needs, both those in South Africa and abroad.

RHINO MARINE PRODUCTS

NAME OF COMPANY:	<b>RHINO MARINE PRODUCTS (PTY) LTD</b>
CONTACT PERSON:	Luc Herman
ADDRESS:	20 Helene Avenue, Blackheath Industria, Cape Town 7581
TELEPHONE:	+27 82 960 0591
FAX:	+27 86 212 6591
EMAIL:	info@rhinomarineboats.com
WEBSITE:	www.rhinomarineboats.com / rhinomarine.blogspot.com

**MAIN PRODUCTS:**

Rhino 590, Rhino 690, Rhino 850 and Rhino 950.

Rhino Marine Products (Pty) Ltd manufacture virtually indestructible work boats initially designed for the offshore industry, but that will also find their place in harsh working conditions or where a robust and low maintenance boat is required. The Rhino Craft can be used with outboard motors as well as inboard diesels with Z drives or jet drives. The hulls and superstructure are made from extrusion-welded HDPE pipe and sheet, and the craft incorporate pontoon seating and up-stand gunnels, lifting pad-eyes, deck lashing pad eyes, consoles and lockers. They are generally fitted with a bow step up and are hand rail compatible with conventional offshore structure bow-catcher boat landings as well as aluminium chain lockers, rubber D-fenders, pontoon roping and scupper flaps for the self-draining decks.

"After 7 years of proven reliability, we are satisfied with our product, but we are always happy to include specific client requirements into new boats."

MAIN PRODUCTS:

SMG 50plus.

This 50ft performance comfort cruiser has a unique concept that combines easy handling with safety and speed. The multihull-passionate Austrian designer and boatbuilder Gerhard Schein finished his latest masterpiece. Keeping it simple, combining approved shapes of the past with brilliant and future orientated ideas and you'll get a catamaran that impresses big time at first view and causes open mouth stunning looks when it is sailing. The latest model of SMG 50plus is built in Epoxy composite and shows, including full equipment of dishwasher, watermaker, solar system, diesel-electric hybrid propulsion, Carbon A-frame rig etc. 8.4 tons on the scale. The Ninja 15ft sports multihull has a very special concept as well. You can up or downgrade the NINJA to a tacking proa - Ninja PRO, or to a trimaran - Ninja SPIDER. On top of that, the full equipped sail boat fits in a very practical transport and store box in the dimensions of 4.7x0.8x0.9m. There are no tools needed to assemble it, all you need is a Ninja sword key holder. It's easy to describe this multihull with 3 words: It's fast, fun and sexy. More info [www.sail-the-difference.com](http://www.sail-the-difference.com)

MAIN PRODUCTS:

Manufacturers of commercial fishing vessels, winches and line haulers.

Tallie Marine is a specialised fibreglass boat builder, also offering a repair service to glassfibre, steel and wooden vessels. In addition to this, they also manufacture winches and line haulers. Their experience stems down from four generations of boatbuilders when the first Tallie emigrated to South Africa from Malta and started building wooden vessels for the South African waters. Today, all vessels built are GRP, as designed by Anton Tallie, to suit the rough waters of the African coastline. Tallie Marine vessels are built with dedication and attention to ensure only the finest vessels set sail from their boatyard.

TWO OCEANS MARINE  
MANUFACTURING

NAME OF COMPANY:	TWO OCEANS MARINE MANUFACTURING
CONTACT PERSON:	Mark Delany
ADDRESS:	c/o N1 and Marine Drive, Paarden Eiland
TELEPHONE:	+27 21 448 7902
FAX:	+27 21 447 6668
EMAIL:	mark@2oceans.co.za
WEBSITE:	www.2oceans.co.za

**MAIN PRODUCTS:**  
Powerboats and custom sailboats.

Two Oceans Marine was founded in 1989 and initially operated as a retail and service facility to the marine industry. Situated on the Cape Town harbour boundary, they specialise in the manufacturing of production power catamarans ranging from 7-14m and custom sail, power and one-off builds for the leisure and commercial market. Extensive testing is performed on all of their new products prior to the production of moulds and with access to the most demanding sea conditions in which to perform these tests, they are able to adequately design and construct the final product.

**Yachtport SA**, is a purpose designed and built marine lift facility and luxury yacht marina, situated in the Port of Saldanha.

Located in South Africa's largest natural deepwater port, the marina also has a fully equipped boatyard with the only indoor yacht maintenance and repair workshop in Southern Africa. The marine lift facility has the largest travel lift in the country and capable of handling catamarans and monohulls of up to 26m LOA or 9m beam width and up to 100 ton displacement.

### **Yachtport SA offers the following services:**

- Yacht maintenance and rigging service
- High pressure cleaning and antifouling
- Boat valet and full provisioning services
- Refuelling
- Winterising of boats
- Ablution facilities for visiting yacht crew and marina visitors
- Lounge and café facility for yacht crew and marina visitors
- Internet stations
- Secure car parking
- Helipad
- Shuttle transfers to and from Yachtport SA

buoys, epirbs, fire extinguishers.

## STEERING/STABILITY EQUIPMENT

# Falx

NAME OF COMPANY: **FALX TRADING CC**

CONTACT PERSON: Rafe Axelson

ADDRESS: 2 Beach Road, Tokai, 7945, Cape Town

TELEPHONE: +27 21 712 1787

EMAIL: [axel@falx.co.za](mailto:axel@falx.co.za)WEBSITE: [www.falx.co.za](http://www.falx.co.za)**MAIN PRODUCTS:**Distributor of steering systems, sail control systems  
and refrigerators.

## Electric tools

High performance, reliability and unique design: a true "made in Italy" know-how.

### LS 21AE

Sander with self-generated dust extraction

### SSPF

Sander with self-generated dust extraction

### SL 42AE

Orbital sander with self-generated dust extraction

## Pneumatic tools

Light and high performing. Synonymous with quality for over 40 years.

### Skorpio 3|6|9

Random orbital palm sanders with dust extraction

### AK 200A

Planetary sander with dust extraction

### SO 210AP

Orbital sander with dust extraction

### SLP 41A

Orbital sander with dust extraction

## Dust extraction units

A wide and complete range of professional portable vacuum units.

### S 235EP

Mobile dust extraction unit with dual start up system (manual / automatic) Universally used for extracting sanding dust, as well as general dust in all areas.

### SP 235

Mobile extraction unit fitting to connect one pneumatic tool. Pneumatically powered motor; extraction provided by venturi system.

### KS 260EP

Mobile dust extraction unit equipped for simultaneous connection of two tools, both electric and pneumatic, with dual start up system

### HE 500

Turbine unit to extract fine dry dust and grinding residues in a wide range of sectors: marine and carpentry, coach building, industry. Conceived for heavy, intensive use, even for two or more shifts per day

## Tried and trusted by top sailors

Sail with marine navigation that's tried and trusted by the world's best. Garmin helps you channel the elements to optimise your power, speed and control on the water. Our versatile NMEA 2000 networking technology enhances your sailing set up, whether you're looking for a complete system or a single instrument. With a powerful wind instrument that captures barometric pressure and air temperature data, rugged 15-inch touchscreen chartplotters and high-range VHF\* marine radios, you can navigate like a top sailor with Garmin.

\*coming soon

**GARMIN**  
YOU'LL BE LOST WITHOUT IT!

**"I LOVE TIME WITH THE FAMILY  
OUT ON BOAT HAVING FUN, BUT  
I REALLY LOOK FORWARD TO  
GETTING HOME SAFELY"**

*"When you have a young family time passes by too quickly so we try and enjoy our weekends and holidays as much as possible. Having Lowrance HDS-10 onboard our boat means we can plan where we want to go - the perfect bay for swimming and BBQ's, but the main thing for me is I know our Lowrance HDS-10 will get us home safely, ready to plan our next adventure"*

*- Marna Jansson,  
Full Time Mother*

## **CHANGE YOUR VIEW.**

HDS® is available in 5-, 7-, 8- and 10-inch models. With built-in advantages like High Speed GPS plus add-on options such as Hi-Res 3D charts with Navionics® TurboView™ and now StructureScan™ sonar imaging — safely navigating, finding structure and catching fish has never been faster, easier and more rewarding.
